Voluntary Contributions And Charges 2027

Our School Board has endorsed our schedule of Contributions and Charges for 2027 in accordance with the School Education Regulations 2000 as part of the School Education Act 1999. This schedule is designed to provide you with information about anticipated costs that may occur throughout the coming school year and allow you time for forward planning of the likely costs.

1. Voluntary Contributions

Contributions are voluntary and have been set at $50.00 per child. This represents an important revenue source and supplements school expenditure in all learning areas. While contributions are voluntary, the quality of our learning programs will be maximised when all families contribute. Payments can be made directly to the school or via the Campion Personal Items List.

2. Optional Costs – non Educational Activities

All schools offer services that involve costs but are not related to educational programs. School photographs, free dress days, charities, book fairs are all examples. These costs are not included in the summary of costs for 2027.

3. Charges for extra Cost Optional Components

During the year extra cost options such as excursions to venues, performances held at school, camps, graduation costs, PEAC (selected students only) may occur.
